

## OUR FINANCIAL POLICY

Payment for services is due at the time services are rendered. We accept cash, checks, MasterCard, Visa, American Express, Discover or financing through Care Credit, upon approval of credit application.

If you have dental insurance, we are anxious to help you receive your maximum allowable benefits. In order to achieve these goals, we need your assistance and your understanding of our payment policy. **Your insurance is a contract between you, your employer and the insurance company. WE ARE NOT A PARTY TO THAT CONTRACT.** Not all services provided are a covered benefit in all contracts. Some insurance companies arbitrarily select certain services they will not cover.

We must emphasize that as dental care providers, our relationship is with you, not your insurance company. While the filing of insurance claims is a courtesy that we extend to our patients, all charges are your responsibility from the date the services are rendered. Any claim that remains outstanding by the insurance company over 90 days immediately becomes your responsibility.

Returned checks and balances older than 30 days will be subject to additional collection fees.

If you have any questions about the above information or any uncertainty regarding insurance coverage, please ask us. We are here to help.
